

FIRST AID KIT

This is a list of the items required for the *Home First Aid Kit* (Requirement 5). These items must be contained in your First Aid Kit if you wish to complete this requirement and the First Aid Merit Badge. Please check to make sure that you have all the items listed below before bringing in your kit.

- Roll of 1-in. adhesive tape
- Six 3x3 sterile pads
- Large box assorted adhesive bandages
- Thermometer
- Scissors
- Tweezers
- Safety pins
- One set of thin boards splints 30" long (Hint: yard stick or paint stirring sticks)
- One box of alcohol wipes
- Two pairs of disposable gloves
- Antiseptic
- Eye goggles
- Four 40-in. triangular bandages (Hint: Can be made from an old sheet)
- "Ace" type Bandage
- Insect relief lotion, pads or stick
- Antibiotic ointment
- Water-based burn gel

After you have compiled the above items, have your parent or guardian check to make sure that your kit is complete.

X _____ (Student)

X _____ (Parent or Guardian)

Your instructor must see your completed first aid kit in order for him to sign your blue card. (A photo of the completed first aid kit, that clearly shows each item, is allowed.) Scouts whose first aid kits are missing or incomplete will be issued a partial.
